**Skilled Refugee
Labour Agreement**

**Benefitting
your business**

Is your business facing skills shortages?

The **Skilled Refugee Labour Agreement Pilot** provides employers with access to thousands of talented refugees with skills you need to fill workplace vacancies.

Why your business should use the pilot:

- Access to a range of **visa concessions** not available in standard skilled visa programs
- Opportunity to **support a skilled refugee** and their family
- Help with finding a **suitable candidate** and the visa application process
- Over **123,000 professionals** in 170+ occupations registered to use the program
- **500 visa places** are available until 30 June 2026
